### **3 PROHIBITED PUBLIC PLACES**

#### ***Palmerston North Dog Control, Other Animals and Bees Bylaw 2004***

As a general guideline you may exercise your dog in the majority of the City's many parks.

You **may not** exercise your dogs in the prohibited public places.

- Any swimming pool or other bathing place owned or controlled by the Council, including all areas within the fenced boundary of the swimming pool.
- Within 30 metres of any child's play equipment, play area, paddling pool or aviary in any area zoned for recreation purposes in the District Plan and including the Skate Park.
- The playing surface of any sports ground or field owned or controlled by Council, including the surrounding area associated with the sports ground or field.
- Palmerston North Holiday Park.
- The Central Business District, including the Square, bounded by and including from the intersection of Grey and Princess Street due south along Princess Street to Ferguson Street, then due west down Ferguson Street to Pitt Street, due north along Pitt Street and Bourke Street to the intersection with Walding Street, then due east along Walding Street and Grey Street to the intersection with Princess Street where the boundary is the mid-line of the road reserve.
- The Council Crematorium and all Cemetery grounds.
- Memorial Park.
- The Turitea Westland Reserve.
- The Ashhurst Domain Wetlands Conservation Area.
- Ashhurst Domain Playground and adjacent picnic area.
- The walkway around the racecourse between 5.00am and 9.00am daily.
- The Central Esplanade area (the aviary, the conservatory, the children's playground and kiosk areas).
- Turitea Water Supply Area.
- Such parts of Pit Park as may be indicated by signs.
